Agua Caliente Park

By Larry Northington

On May 7, 2022, the Studebaker Club of Southern Arizona had a fantastic potluck breakfast at Agua Caliente Park. It was a warm morning, but very pleasant under the shade of the trees. Food was in abundance with members bringing fruit, cheese, pastries, other goodies, and of course doughnuts. Randy Goble made pancakes, and Craig Harm got right on the grill frying up bacon and sausage. John L. and Barbara Bemer brought pancake batter and eggs (pre-prepared to scramble). Nora Gooch perfectly fried up the first batches of eggs, at which time yours truly took over to make the last batch. Was everything good? I think some of the pictures speak for themselves, and I know some members (me) may have pigged out a bit too much.

**MESSAGE FROM OUR PRESIDENT:**

Well, Hello Everyone.

Today is brought to you by the number 9. Nine is the number of things I need to work on today. Does the previous statement remind you of anything, maybe a time in our lives when we were raising kids that watched PBS? Well, most of us are past that now, but I suppose grandkids are still watching. These days I get to work on projects I enjoy, aside from the usual honey-do's that are also fun.

It has been Hot!!! Today a monsoon rain moved in and dropped the temp by 10 degrees which is encouraging.

As far as Chapter stuff goes it's been pretty quiet. We just had a few get-togethers in the past couple of months and attendance has been good. I wish I had some big news to get everyone excited but until it's cool enough to start getting the Studebakers out, I think we all will be seeing each other in restaurants. Have a happy 4th of July and stay cool.

Congratulations to the Grand Canyon Chapter on their 50th Anniversary!

Randy

PS. Does anyone have an under-seat heater delete kit?

Randy Goble

From the Editors:

Dear Members:

Hooray, our '54 Commander finally has tail lights and the remaining chrome trim piece is installed. Just in time for summer where it is too hot to drive except around the block.

We welcome pictures and story submissions. Email is the best way to submit contributions, but even a hand written article would be great.

Thank you to Ann Pearson and Bob Miles for article contributions, and to Donna Goble for proofreading.

Wayne's Toys

By Ann Pearson

On Thursday, May 26, 2022, the Studebaker Club of Southern Arizona made several stops. John L. Lewis did an excellent job of setting up the day's events. The first stop was a private tour of Wayne's Toys on South Cherry Avenue in Tucson, Arizona. Nine members were in attendance and two Studebakers were driven: Hugh Adam; Jay Bodle, 2R-10; Michael Hodges; John L. Lewis, '61 Hawk; Bob Loshbough and friend, Robert Falconer; Ann Pearson, rode with John L. Lewis; and Bruce Sandburg and Delores Schurtz.

Wayne's Tucson Auto Museum houses between 65 and 75 classic autos in a 20,000+ square foot building. All cars are running and are taken to local car shows as well as are driven around town. There were so many cars to see at Wayne's Toys. The classifications of the cars within the building entail: Iconic, the Very Old, Sporty and Unique. A beautiful mid-century, red and white, 1958 Packard Hawk and a silver 1949 Studebaker Champion Business Coupe were included in the classification of Iconic. Courtney Carr is the Director of Wayne's Toys. She has several degrees in Public History. Wayne Gould is the owner and originally sold a steel business in PA. He has homes in Florida and Arizona and a winery in California.

Several very Old vehicles were seen, including: a Ford Model T and a 1934 Chrysler Airflow.

Jay Bodle and Bruce Sandburg could be found looking at the row of red Sporty vehicles, including a 1962 Sabra Sport Roadster, a '63 Apollo 5000 GT, a 1965 Corvette convertible and a 1964 Daimler SP 250. A beautiful 1946 cream colored Ford Thunderbird and a cream-colored Corvette convertible took my breath away!

There could not have been a more Unique setting than two Batmobiles, a Batskiboat and Penguin's Duck with Danny DeVito driving! One of the Batmobiles had a certificate of authenticity, was number 15 of 27 made, and was fashioned after the 1966 Batmobile. Of course, Batman and Catwoman were overseeing the whole operation!

One of my very favorite cars was the green Chrysler Town and Country. I have always liked the Woody cars.

Delores and I were so hungry, we had to go sit down in the lounge and talk with our guide, Courtney. Finally, we were able to pry the guys away from the cars for our next adventure.

We made the caravan and visited John L.'s VW Bus at the body shop. John has been so excited about his bus. It will be fun to see it all fixed up.

Chuck Stanford, Bob Miles and Gloria Schmetzer joined us for a most enjoyable lunch at Micha's Mexican Restaurant. Gloria was a trooper and even though she was hot and exhausted from waiting for a ride after her '63 Hawk broke down, she made the trek to the restaurant. She was disappointed that she did not make it to Wayne's Toys and the visit to see the VW Bus. The Mexican food was delicious. We were pleasantly surprised how fast the wait staff was able to bring our food out. I for one, was starved! This will be a restaurant to return to! Thank you John L. for setting up our most wonderful outing!

RECENT EVENTS**Studebaker is invited to a Special Birthday Party
March 3, 2022**

by Bob Miles

John Lewis, our chapter Tourmaster received an email from Mary Reed. Her father was turning 85 and asked if John, and anyone else could come up to make his 85th birthday special. Richard Phegley had been a chapter member of the TumbleWeeds Chapter in Las Vegas and the Wheels West general car club in Grand Junction in Colorado. He currently resides in Casa Grande, 70 miles north of Tucson. John and I left Tucson at 11:15 and one hour later we were in Casa Grande. We had arrived early so we waited until 1pm to surprise Richard. Richard came and looked at our cars then John had him sit behind the wheel of his 1961 Hawk. John then took him for a ride around the park and then afterward we went in for great food and cupcakes.

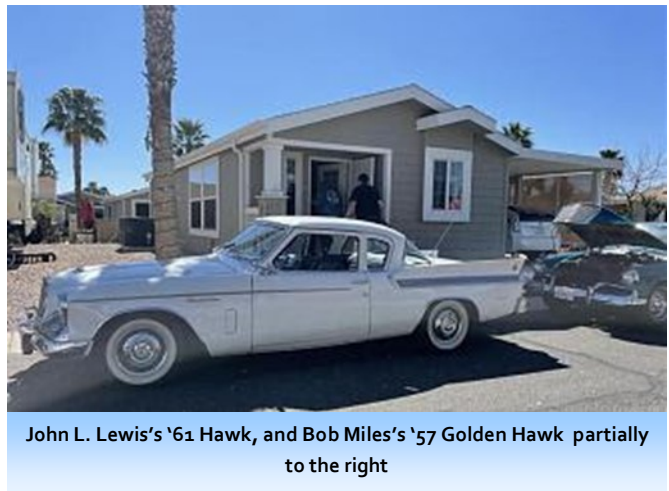

Richard regaled us with his tales of Studebaker adventures. I asked him what was his favorite car. Hmmm well he told us it was a 1947 Ford Coupe, but it has a 1952 Studebaker V8 powering the car. That was his first car and his parents kept it until he came back from the military.

He had a prized 1952 Champion Starlight Coupe that won many awards. He said one guy told him he was not going to park his car by his because it always won. Richard's last Studebaker was a 1963 GT Hawk.

All in all a great day and a wonderful drive up and back.

13 trophies, 9 first place; Dad gave them all back to the club in Gilbert, AZ about 6 years ago

Cars:

- 1948 4-door Sedan
- 1951 Regal Starlight Coupe
- 1947 Ford Coupe with a 1952 Studebaker V8 Engine
- 1952 Regal Starlight Coupe
- 1963 Studebaker Gran Turismo (restored and sold it to a guy in FL)

Fun fact he shared on the Regal Starlight Coupe apparently there is an armrest in the back that lifted up and went all the way to the floor ~ Dad would drill holes in the bottom of it and store his ice/beers and the popo was non the wiser.

Holy Smokin' Butts BBQ

By Larry Northington

When Marj Scooros recommended Holy Smokin' Butts as a great place for the Club to have lunch, my eyes lit up and a big smile came to my face. I love BBQ, and this place is my favorite in Tucson. Sixteen members came to enjoy the great food on a fine day in June: John L Lewis, Michael Hodges, Bob Miles, Jay Bodle, Larry Northington, Randy Goble, Stan and Charlotte Luczycki, Marj Scooros, Debra Croke, Hugh Adam, Craig and Jennifer Harm, Gloria Schmetzer, and Chuck and Louise Stanford.

It was a hot day, so only two Studebakers made it to the restaurant. John L.'s '61 Hawk and Craig and Jennifer's '51 2R6 Pickup.
