Chapter Holiday Party

By Larry Northington

Our annual holiday party on December 10th was just fun with great food and conversation. Ann Pearson hosted the party again this year. One turkey is a lot of work, and Ann made two! Ann, thank you so much. 43 friends and members made it to the party. It was nice to sit outside in the beautiful weather which was sunny and warm, though a little breezy. The food was abundant and delicious. I don't want to say what my favorite was, but I will say the one I appreciated the most — the mashed potatoes. I was one of the last to go through the line, and there was still plenty of potatoes when I got there. It goes so perfectly with the turkey and gravy. Thank you Gail and Steve Ault for bringing enough for such a big crowd. Thank you to everyone to help make the party such a success.

It was nice to see quite a few Studebakers; Everyone got to see Bob and Steve Lanz's '62 Daytona Lark for the first time, and it is a beauty. Also new — John L. Lewis' 63 Hawk GT (See Page 6 for more on John's new car). The other Studebakers there were Randy and Donna Goble's '57 President, Gary Spies' customized '53 Commander, Lou Fencil's '56 Transtar, Bob and Eileen Loshbough's customized '61 Champ Pickup, Larry and Dee's '54 Commander, and Jerry Kaiser's '59 Pickup Deluxe.

Maggie Wheeler

Dear Studebaker Members:

I hope this letter finds all of you well and enjoying time with your family and friends. It is that time of year again when we think about what we wish for in our New Year's Resolution. For me, it would be to spend more time with my family and my dear friends in the Studebaker Drivers Club. This is a very happy time of year for most; however, there are those that have recently lost loved ones. While thinking about this, I am saddened to think about our SDC loss of one of our strong and long-time leaders, Maggie Wheeler. Maggie was a fixture in our Southern Arizona Chapter. My Uncle Johnny, who I inherited my Grandpa's Studebaker from, advised that I contact the local Studebaker Club in Arizona and become a member. I found Malcolm Stinson's phone number online in the summer of 2016. Malcolm gave me Maggie's number and the rest was history. Maggie asked if I would spear-head the newsletter again and I took up the task with the help of June Kaiser and Donna Goble. I am so thankful to Maggie for talking me into taking up the newsletter and being such a good friend with advice of all kinds over the years. She was someone to look up to with her zest for life. We will all miss her.

Ann Pearson

On a personal note, our veterinary hospital is now open, and we have made the difficult move! I will be transitioning into working more with small animals, and hopefully, I will have Thursdays open again! Randy Goble has been working diligently with scheduling our activities. I was happy that so many members and friends made it to my Christmas Party for the Club. It was a beautiful day. We have more good times ahead!

Happy Holidays!

Ann Pearson

From the Editors:

November and December are always busy for our club chapter. The weather is nice, and some of our part time residents have returned. We try to make all of our Chapter's events, but we had to miss out on Bubb's Grub. A shame, it sounds like it was pretty nice. We did really enjoy the holiday party, and the Gaslight Theatre. And it was nice to drive our '54 Commander to both of them. The very astute will notice an imposter in the newsletter. Who will be the first to call us out on it? I hope to see a lot of members and Studebakers at the January Banquet.

Larry and Dee Northington

As always, we welcome suggestions, pictures and story submissions. Email is the best way to submit contributions, but even a hand written article would be great. Thank you to Randy Goble, Fred Gooch and Paul Storm for the contributions, and to Donna Goble for proofreading.

Time for Membership Dues

By Larry Northington

It's that time of year— Yes, that painful time of year— It's time for Chapter members to renew their membership. Actually, I trust everyone appreciates the value of being a member of the Southern Arizona Chapter, and is eager to send in their dues upon reading this, or has already done so. It couldn't be much simpler, write a check or money order payable to Southern Arizona Chapter, SDC. The dues is only \$19, or \$15 if you don't need a mailed copy of the newsletter (saving \$4.00). Fortunately, our dues has stayed the same price for years (\$15). However the price to mail the newsletters has continued to increase, therefore the slight increase to get a mailed copy of the newsletter.

***Notice: A reminder from that everyone should have an approved fire extinguisher displayed at your left front wheel during all meets. As required as of January 1, 2017, the SDC requires a minimum of a LU type 1-A:5B:C, but a 1-A:10-B:C would be much better for added protection.

RECENT CHAPTER EVENTS**Bubb's Grub Thanksgiving Dinner**

By Randy Goble

Twenty-one members turned out to visit with each other, catch-up, and enjoy a turkey dinner with all the fixings. We didn't have any Studebakers show up due to the rainy weather moving in. I'm sure that's why everyone left their cars at home, to keep them nice and dry.

Those attending were the usual suspects, along with our returning winter visitors. It was good to see the Ambbs, the Nobles, the Spies, and as always, Jim Hill. I would like to thank Gary Spies for helping with the 50/50 drawing. Everyone was quite generous, letting both Tory Cowan and the Club go home with \$38. each.

Thanks to Donna for taking some photos, so we have proof of who was there.

Happy Holidays!

Randy

**"A Smalltown Christmas" at the Gaslight Theatre**

By Larry Northington

December 14th was a terrific day to get out and do something fun. A delicious bite to eat at Holy Smokin Butts, then a short walk over to the Gaslight Theatre for the fun Christmas musical. We all got to travel to Christmas time 1961 in Smalltown, U.S.A. It was a fun show in typical Gaslight Theater form, with lots of music, heroes to cheer and a villain (who wanted to ruin Christmas) to boo. Since the play was set in 1961, there were fun costumes and great music from the 50's.

MEMBER CONTRIBUTIONS**1919 Studebaker Big Six Seven Passenger Touring Car**

By Fred Gooch

Some of Woodson (Woody) Allen's family were born near Donner Pass in California in a covered wagon - maybe a Studebaker -who knows? When Woody was a child he walked past a Studebaker Sales Agency which was near his parents (father Dr Warren Barrett Allen a noted brain surgeon & mom Thurza Hargis Norton a nurse) home. These things plus the fact that Mr. Allen owned a 1926 Studebaker must have influenced Woody's mind to have a big interest in Studebakers. (I certainly was influenced by my father's 1950 Black Cherry Champion Studebaker!)

Woody reconditioned several Studebakers with the help of a few people to include our own Ken Mooney who was a talented craftsman. Possibly Woody's favorite Studebaker was the 1931 Model 8 Four Seasons Roadster painted Studebaker yellow. I remember when he drove that car to The Senior Citizens Craft Fair in Coolidge, Az in the late 1980's. It was the hit of the show!

Many of our club members are familiar with Woody & Kitty's 1923 Sheriff's Special Studebaker but back at the ranch Woody has a "BIG RED" Studebaker that many of our club members have not seen. The car is a 1919 Big Six seven passenger Studebaker touring car.

As the story goes, Woody was hunting up north and found some Studebaker top bows which he promptly loaded up in his 1960 Studebaker 3/4-ton pickup which he had bought new at J & B Motors Studebaker Dealership on North Stone in Tucson. He stopped at a Shell station in Tonopah, Nevada where the attendant taking notice of the old car parts told Woody about an elderly gentleman that had an old Model T or some old car stored in a barn on his ranch. Woody followed up the lead that took him to Panaca, Nevada. Here he met Bill Getker, the owner of the Model T, which turned out to be the 1919.

Bill's history of the car was he had bought it new right after his discharge from the military at the end of WW I for his mother. He purchased the car in Los Angeles, and it took him 2 weeks to drive it to Crestline, Nevada. Not many good roads in 1919! Bill was the only person to ever drive the car even though it belonged to his mother. In 1926 the car was put up on blocks in the barn and not driven since. The odometer read 5,000 miles.

Woody was NOT able to purchase the car on his first meeting with Mr. Getker. In fact Woody doubts that Mr. Getker would have even shown him the car if it had not been for the fact that Woody was driving a fairly NEW Studebaker Champ truck at their first meeting. Woody stopped by Mr. Getker's every time he was in the vicinity of Panaca, and finally Mr. Getker agreed to sell Woody the car. I am thinking that Woody came up with lots of excuses to Kitty to be in the vicinity of Panaca until in June 1965 when he was able to bring the 1919 home to Cortaro, Az!

The Studebaker was complete, so the reconditioning was simple. The paint was stripped and repainted. The nickel was good, so it was polished and the original top and upholstery were cleaned and used. The car even had the original top boot with it. A new set of 33 X 4 & 1/2 tires were installed.

Mr. Getker must have been a soft touch for the Studebaker salesman, because the car had more accessories on it than I have ever seen on a vintage car. Some of the accessories are:

Tonneau pull-out light for the rear seat

Cigar lighters

Leather door top pulls

Double dash lights

Steering post mounted temperature gauge

Electric windshield wipers

Wind wings

One man top

Prop open door latches (to hold the doors open when driving to let fresh air inside to the floor area)

The final option and the most striking feature of the car was a running board mounted spotlight. This light (according to Mr. Getker) was a gift from Mr. Paul G. Hoffman (Mr. Hoffman later became the President of The Studebaker Corporation). ■

John L.s Welcome Back (for a visit)

By Larry Northington

John L. not only came to visit, but he came in his Studebaker that he recently purchased (See below). We all had a fun and a delicious lunch at Jeff's Pub in Tucson, with 28 of John's friends welcoming him back to town. Jeff's Pub set us up in a room all to ourselves where we could talk and laugh as loud as we wanted. And we did. John was able to stay a few more days and attend our annual Holiday Party before flying back home.

John L. Lewis' New Studebaker

By Larry Northington

Even though John lives in South Dakota, where did he buy his new Studebaker from? Arizona. It was originally sold in Phoenix in 1963, and John bought it from one of the Grand Canyon chapter members. It was nice that it gave John the opportunity to fly out to pick up the car and visit everybody. The Studebaker is a beautiful 1964 GT Hawk with a V8 R1 Engine, Power Shift Automatic, Power Steering, Power Brakes, Sports Roof, and Air Conditioning. John hired Will Eastburn to go over the car carefully to make sure that it was ready for the long trip home. The car needed new brakes, bushings, some leaking seals replaced, etc. Nothing major. John had planned to drive the car home, but ultimately decided to have it shipped. It is now in South Dakota where he can once again enjoy the fun of driving a vintage car.

Memories and Condolences for Ed Nelson and Maggie Wheeler

Sadly, two of our Chapter's members passed away recently: Ed Nelson and Maggie Wheeler.

Edwin "Ed" Laurence Nelson passed away September 9, 2023 at the age of 81. Though Ed had not been a member for too many years, he loved coming to our Chapter events and board meetings. His future daughter-in-law would usually volunteer to drive him. Two years ago, he graciously hosted our annual Christmas gathering, which turned out terrific. We will miss Ed with his beautiful 1958 Golden Hawk.

Margaret "Maggie" Eleanor Wheeler passed away December 19th, 2023 at the age of 94. Maggie was a long term member of our Chapter, and once served on the board as secretary and as president. Maggie lived independently until just one month ago when life finally began to catch up with her. When asked how she would like to be remembered, she said, "As a good old broad!" Rosalie Torske commented "Maggie was a strong, independent woman who was a devoted Studebaker Drivers Club member. She will be missed."
